Student-Athlete Requirements

Physical Exams

Valid IHSAA Physical Exams are required prior to ALL participation in ICS Athletics. Student-athletes are not permitted to participate until the physical exam paperwork is turned in to the Coach/AD or uploaded to Final Forms. The Physical Exam Paperwork is attached to this Newsletter. CVS Minute Clinic and Medchecks offer Physical Exams along with your primary care physician.

Final Forms

Final Forms is the location where you will find state required paperwork, the student-athlete-parent handbook and more. All mandatory paperwork must be signed on Final Forms by the final day of tryouts, however, the sooner this can be done the better. Attached to this newsletter is the parent playbook which will guide you through the requirements. Click [Here](#) to go to the website.

IHSAA Academic Requirements

Athletics at ICS are Education-Based! Student Athletes are required to pass 70% of their total number of classes at each grade check point, in order to be eligible for athletics. Below are the dates we will check grades for athletes. Those who do not meet the grade requirements will not be permitted to play in competitions.

Fall Eligibility: June 2, 2023

Winter 1 Eligibility: Oct 11, 2023

Winter 2/Spring 1 Eligibility: December 20, 2023

Spring 2 Eligibility: March 20, 2024

Schedules

ALL schedules will be found [HERE](#). Please ONLY use this site for schedules. Do not use maxpreps as it is not accurate.
